

For Cold Weather Motoring Confidence

The Buick Seven Passenger Touring—\$1435

On winter roads, the abundant power and smooth riding of the Buick seven passenger touring car gives a new confidence to cold weather motoring.

Close fitting storm curtains, provided with the special Buick weather strip to seal the joints, and that open with the doors, afford a snug comfort against storm and cold.

The long wheel base and the semi-elliptic springs with a new suspension, insure easy riding, made luxuriously comfortable by the wide, deeply upholstered seats. Every convenience for effortless driving is at the driver's hand. Standard appointments include such refinements as sun visor, windshield wiper and rear vision mirror.

The seven passenger touring car maintains, in every particular, the traditional Buick excellence.
